MEDIA ALERT

USFOODSAFETY.COM PROVIDES FIRST COMPREHENSIVE, UP-TO-DATE RECALL LIST OF GRAPE TOMATO

USFoodSafety.com provides first all-encompassing grape tomato list from a variety of government, product manufacturer and supermarket sources

MARLBOROUGH, MASS, MAY 6, 2011: USFoodSafety.com, the first website to provide consumers with the most up-to-date food safety alerts, recalls, advice and columns, today announced the first complete, all-encompassing grape tomato recall list. The updated recall list can be found at <http://www.usfoodsafety.com/grapetomatoes.aspx> .

The list was compiled from government, manufacturing and supermarket sources and provides product recall and grocery store locations on one list. No other web site has as comprehensive and updated list for this recall.

Consumers can continue to check the list for updates or follow the company on Twitter at @foodsafeguru.

About US Food Safety Corporation

US Food Safety Corporation is a privately funded, woman-owned company located in Massachusetts. Through its web site USFoodSafety.com the company is the premier "one-stop" source of consumer information related to food alerts, recalls and safe food handling.
